FIRE/RESCUE DEPARTMENT

The Fire Department provides the Town of Stow with Emergency Fire, Rescue and Emergency Medical Services (EMS). The dedicated individuals of this department work tirelessly, around the clock, responding to a wide range of emergency calls.

Our new Command vehicle went into service in August 2010. This new vehicle has proven to be a great addition to our emergency fleet. It is equipped with four-wheel drive and multiple radios so we can communicate with Police, Highway and surrounding area fire departments. We are very thankful to the taxpayers in Stow.

2010 was again a very busy year for the Fire Department. Your department responded to 900 combined fire and medical calls. Some of the major calls we answered are as follows. We responded to structure fires on Hudson Road, Sandy Brook Road, Warren Road and two fires on Great Road. We responded mutual aid to structure fires in Harvard, Hudson, Boxborough, Bolton and to assist Concord twice and Acton once with fire station coverage assignments during recent fires. We also responded to a multiple alarm fire at Cavicchio Greenhouses in Sudbury, a brush fire in Bolton at Camp Resolute, an eight alarm fire in Marlborough, a serious motor vehicle accident and early morning structure fire in Maynard.

The department responded to 70 motor vehicle accidents. Fire Prevention was once again a major focus for your Fire Department in the year 2010. Under the direction of Captain John Paul
